

## T1 International Terminal Pick-up Area

Sydney Airport provides 15 minutes free parking for arriving and departing passengers at the International T1 terminal.

The designated pick-up area is within the International Car Park. Anyone wanting to pick-up arriving passengers at T1 must proceed to the International Car Park and follow the yellow 'Public Pick-up' signs to the 15 minute free area. Drivers that stay beyond the free 15 minutes pay normal parking rates.

Within the 15 minute pick up area there are designated 2 minute pick-up and drop-off bays. Drivers parking in these bays must remain with their vehicle. Drivers cannot park in these bays for more than 2 minutes.
